Assisted Living

Assisted Living is more than aiding; it is about empowering the elderly to remain independent and active. Rosewood on the Sound our residents are all unique, each with different needs. Our highly skilled team is trained to customize specific care plans detailed for each resident, ensuring they receive the care they need all while keeping them safe and comfortable. We do this all at an affordable **ALL-INCLUSIVE RATE** starting at:

Shared Suite: \$3,500 Private Suite: \$5,000

Enhanced Assisted Living

We are an age in place community. Our Enhanced license allows us to provide supplementary care. As the needs of our resident's change, we are equipped to adapt and change with them. We also work alongside Hospice agencies ensuring the care and well-being of our residents to the very end. Rosewood on the Sound specializes in care for residents who are:

- wheelchair bound
- needs catheter/insulin management
- requires assistance with eating
- oxygen and nebulizer treatments

ALL-INCLUSIVE RATE starting at:

Shared Suite: \$5,500 Private Suite: \$7,500
